[redacted]

As you remember, this is the paper I talked to you about yesterday -- except yesterday there was a covering memo addressed to D/CO fr [redacted]

STAT

I did return the orig and copies to OC.

Please note they had forwarded it to us without any kind of an explanatory note on the Routing Sheet.

STAT

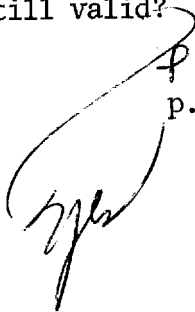

Today, [redacted] secretary phoned to ask why the paper had been returned and explained that it had been forwarded to us in accordance with [redacted] (copy attached).

STAT

I asked her to return it to us for another review. She did return only the attachment (in 3 copies) with the original Routing Sheet.

Should this now be forwarded to the IG? Also, OC wants to know if the [redacted] requirement is still valid?
